

T-BALL & Coach Pitch

Boys and Girls Welcome!

T-Ball (3-5 years) Basic skills, for beginners who have not played before (we don't keep score)

Coach Pitch (5-8 years) 5 year olds who have played previously. Should have some basic fundamentals and be ready to learn additional skills.

Much more emphasis will be on teaching this year. Emphasis in all our leagues will be on having fun and learning. Age brackets are generally for placing children. Children should play in a league commensurate with their abilities.
